## Scholastic Programs Push Is On

This year Red Rock is scheduling visits to various Middle and High Schools to introduce our scholastic program. Time will be set aside during weekday afternoons for lessons for schools. If you are interested in having your school be part of the program contact Coach Frank to arrange for a demonstration.

Red Rock is also reaching out to Home Schoolers and has set aside time on Thursdays from 11 am to noon. Home schoolers are encouraged to call the fencing center to sign-up. Spread the word to students and parents alike that Red Rock is reaching out to introduce fencing to educators in the Vegas area.

## Record Breaking 6 Summer Camps This Year

This year Red Rock held a record number of summer camps. There were four introduction camps. Two were for age 5 to 8 year olds and two for 9 to 12 year olds. There was also an advanced camp that was held before the USFA Summer Nationals for a final tune-up before the competition. Lastly, there was an intermediate camp that was open to all ages. The camps had over 60 participants.

Some of the new faces you will be seeing around the fencing center this fall will be kids coming out of the summer camps.

Besides learning the basics of fencing and physical conditioning, I hear the sno-cone fights were a ton of fun!

A big thanks to current members like Austin, Ava, Sharon, Ken and Jack who helped out with the camps.

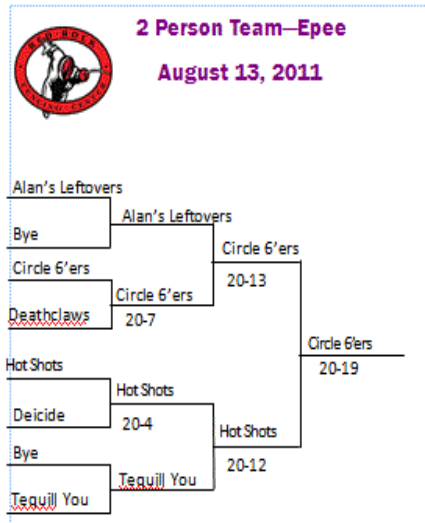

## 2 Person Team Event—Trefecta Winners!

Libby Garry & Joe Deucher win it all!

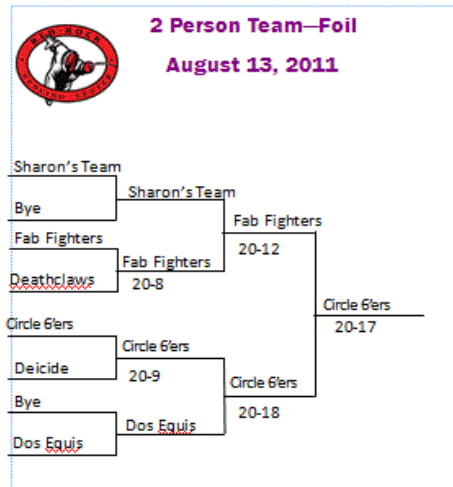

On a warm August afternoon, the fencing center rang with the sounds of blades in battle as 2 person teams fought for glory—but this day there would be only one! The Circle 6'ers swept the battle field.

**Coach's Corner—Summer Camp Benefits**

The new fencing season is about to start. With that in mind focus on what you want for this year. Set a competitive goal now. Once you have a goal in mind talk to me (you know, your coach) and we will build a roadmap to reach your goal.

The roadmap will detail the training that you will need to reach your goal. For those of you who are ready for a real challenge consider the "Olympic" program. This program is designed to stretch you as a fencer and as a person. It's called Olympic but the program is geared for higher level competitors who want to go to the Summer Nationals, NAC, or other higher level fencing events that are considered to be on the Olympic track.

I recommend everyone, whatever their skill level, spend some time to sit down and make a decision about what they want from their fencing and what they are willing to put into their fencing. Now is time to mentally get your game on!

**The Building Of A Team—Final Report**

The Desert Blades women's team made it to Reno for the veteran women's team epee event. Everyone was excited and nervous. The women came out the gate strong and won their first round. They dropped in the second but the other team really

fought hard. Everyone they faced was surprised at how good they were and wanted to know where they came from. The team worked together well and Lisa was a very strong anchor. Watch out for next year, they will be back and stronger than ever.
